Important Ingredient Facts

Wheat Middlings - Less fibrous than Whole Wheat, contains more wheat protein and has a higher feeding value for Koi.

Wheat Flour - Premium organic wheat flour provides energy for your fish with improved vegetable digestibility.

Fish Meal - High quality meal allows reduced dietary inclusion while offering taste and all 10 essential amino acids to Koi.

Soybean Meal - Highly available plant protein, essential amino acids, vitamins and energy that is attractive to Pond Fish.

Hydrolyzed Feather Meal - Environmentally Responsible Recycled Food Source, Part of Our Secret 'Bio-Friendly' Recipe.

Fish Oil - Highly Unsaturated, Omega-3 Fatty Acids, provide more than just the essential fatty acids to Koi and Pond fish.

Essential Vitamins and Minerals - Our complete complement of Vitamins and Minerals, including Stabilized C.
